

TESTIMONY of Robert Morrow

- ① Do not use debt or leverage to fund roads. Toll roads, CDAs, PPPs are FISCAL insanity + debt time bombs that will explode.
- ② Fund roads on a "pay as you" basis. End diversions of the gas tax.
- ③ I oppose a charge by mile tax.
- ④ I would rather have no new roads than the fiscally insane - high debt - high leverage - high borrowing "method." (no CDAs, no PPPs, no debt).
- ⑤ Do not teacher's retirement fund OR state employee retirement funds to GAMBLE on toll roads!!
- ⑥ ~~A~~ TERRIHALL of TURF speaks for me + millions of other TEXANS. ★
