Regarding redistricting

Dear Representative,

As a recent new citizen I take the new redistricting very seriously. I currently live in Bastrop County, 198 Shiloh Rd., Texas Senate 14, House 17 and US House District 27.

One of the talking points is for an Independent Commission. It's very important to me that we have accountability, I disagree to have an appointed commission because transparency is the most honest way to handle this issue. A commission is appointed without accountability to the voters.

The districts should not be based on ethnicity, we don't need silos we're all Americans. We all care about the same values: Fire, water, safety, good schools/education. We all want to make a living, feed our families and put a roof over their heads.

The current district is Gerrymandered. As a Bastrop County voter I have no representation.

Regards
