Message:

I am a voting citizen and always do vote...I take my privilege to vote very seriously!!!

I'm asking that the people that were elected by people like me, be the ones who make the decisions about re- districting. That our Legislators not put this choice out to a business that would analyze and come up with there districting lines or into a committee of nameless people. Also, I am a lifelong resident of Ellis County and do not want my county divided up in any way!

Thank you for your consideration!!!

Michele Wallace
