Message:

Hi, I'm a registered voter in Bastrop County and writing about redistricting.

I am against having a Redistricting Independent Commission.

Bastrop County needs to be in districts with shared country interest like Caldwell, Fayette, Lee, Lavaca, and Gonzales Counties and not included in Travis County.

Our votes need to count when we vote and since we are connected to Travis County our votes don't count since our county is so much smaller than Travis County. Bastrop County should not be associated with the leftist agenda since rural counties do not have the same leftist morals and agendas as big cities.
