Message:

Thank you for the opportunity to comment on the current redistricting process. I hope Congress will pass the Freedom to Vote Act to help stop the type of egregious attack on our democracy that Texas legislature is doing. Your maps failed to create a single competitive seat across 38 districts. Despite the fact that the growth in Texas came almost entirely from people of color, the latest Congressional map actually increases the number of majority-white districts, with the votes from the cities and suburbs of and around El Paso, San Antonio, Austin, Houston and Dallas-Fort Worth drastically diluted.

I am a VDR, and I want every voter to have a CHOICE, not a challenge, to have a Congress-person, who truly represents and serves their specific community.
