Message:

I am asking the committee not to divide our community and to keep Senator Creighton as our senator. I have no desire to live in Harris county which is why I moved where I did. This community, as well as the rest of the world, has already gone through so much and are just trying to stand on our own two feet once again. By redistricting the community, you will essentially be knocking out our feet from under us. Haven't we all gone through enough? So I am asking on behalf of my community to keep things as they are, there is no need to try to fix something that is not broken.
