Message:

I would love to live in a state that draws district lines by citizens, not by republicans wanting to win an election by cheating. I am in a district we ith Houston, even though I live in a very rural county, 15,000 in whole county. Our rep does not care what we think or need. We pay taxes and vote.

Republicans need to wake up. Texans are mad, fed up, etc. We want rights given to all citizens by the constitution. We want local control given back to city mayors and school boards. We want women's rights restored.
