Message:

The citizens of Ellis County beseech you to reconsider your redistricting plan. We are being fractured between S22 and S2. We are in the midst of a crucial runoff and do not have a supportive fighter to represent us yet in Austin against this division. This would definitely be a socialism push because our votes would be flavored purple by other counties. We want our votes and voices to matter. Splitting us up would be chaos and anarchy for many reasons (including vote issues and confusion on who has what Rep). We must be under ONE Senator. Not two. Please hear the voices of Ellis County and reconsider. The people definitely need our government to listen and heed its people.

Be blessed!
