Regarding: Senate

Message:

The TX Senate needs to post the rules on the Redistricting process and must include time for public review of the submitted maps, and time for public comments to be provided on the submitted maps.

I am a constituent of SD10 and I am very disappointed in the first map provided for public information. SD10 has been inclusive of Tarrant County. By diluting the district with Johnson county and Parker county voters, you are prohibiting Tarrant county representation in the TX Senate.

SD10 should remain within Tarrant County. Making a change to the proposed map does a disservice to the Tarrant County voters, and is a violation of the Civil Rights Act.

Keep SD10 in Tarrant County.

In future elections I will support independent Redistricting, I now see that politicians are not capable of generating district maps without inserting political bias into the process.
