Message:

As a resident of Katy, TX, within the ETJ of the City of Houston, I rely on my State Senator for advocacy and knowledge of my values, concerns and challenges. In looking at the Redistricting Map as currently drawn, my area, the Fulshear area and parts of Old Town Katy would be carved away from SD 18. All those areas have similar Community values, more similar to rural residents than inner city residents.

Many of us believe that we should remain included in SD 18 as we have built relationships with Lois Kolkhorst; she knows our area well and reflects our values and concerns to the State.

I hope you will consider my opinion on this matter. Please know that all of you are being prayed for as you make decisions on behalf of all Texans.
