Message:
To Whom It May Concern,

I am adamantly against redistricting district 16. I would like my senator to be from an area that is similar to where I live and my constituents the same. Gerrymandering our district to include rural red areas is a blatant attempt to add a republican seat. The conflict of interest in the committee making these decisions is pretty obvious as well.

Please let the people of our state have their votes count in a fair and dignified way.

Thank you,
Jenny Jackson
