Message:

Cannibalizing Tarrant County to rip the vote into pieces and spread them all over the rural counties smells. This distortion causes weakness and will break. You won't like it. More and more people will begin to realize it. Enjoy your ten years, that's all you have. Everything about this stinks.

We know there will be few, if any, repercussions to this nakedly gerrymandered map in the short term. Long term it will fall apart of it's own weight. Governing from weakness has resulted in these awful maps. Texas Republicans are weak. This won't stand.
