Message:

Most of us in Montgomery County are former Harris County residence. We DO NOT want to be redistricted with them in any way, shape or form.

We all think alike in Montgomery and do not believe the progressive politics of Houston and a Harris county are a good thing for our state. Please

wall off Harris County and Houston to themselves. Let them be miserable with their own choices. If not, most of Southern Montgomery county will

end up looking like most of Harris county because we will all pick up and move again. Montgomery is very conservative both in the way we think

and live. Just leave us alone. We are happy urbanites and like our lives like it is. We know what Harris County has become.

Thanks
