Message:

As a Lampasas County Republican Precinct Chairman, I am extremely disappointed at the prospect of current SD24 lines being convoluted. Burnet County and the Highland Lakes area is a community of interest that works together in times of crisis-they should not be divided. Lampasas County works hand in glove with Burnet County. Dividing them is devastating to all we've been able to accomplish together. We work with their entire County-not just parts of it. They and their community are much stronger and healthier intact. It completely disrupts our current SD24 Community.

I ask you to strongly reconsider your plans to divide Burnet County and keep their County together as one active community.

Respectfully,

Kevin Myers — County Precinct 9 chairman,  
Lampasas County Republican Party
