Message:

I am a resident of District 16 in Texas, and wish to express my outrage at the proposed redistricting plan currently afoot in Austin, which would arbitrarily place my part of the state in an unholy alliance with a rural district which has nothing in common with my demographic, voting history or values. I live and pay taxes in Dallas County, Dallas, TX. That is where I wish to have my interests and votes represented.

You jokers need to respect your constituents and move sure footedly into the twenty-first century. Yopu may be certain that the eyes of Texas are upon you, and not in a good way!

Yours truly,
Margaret Manser
District 16 Voter
