Message:

I reside and am a voting citizen of Montgomery County, SD4 and Congressional District 8, and am very concerned with the suggested redistricting that would break up the county into different state senators and congressional districts. I strongly encourage that Montgomery County is kept whole in this process. I do not wish to be redistricted and co-mingled Harris County. There is a reason why we chose to live in Montgomery County. I do not wish our values to be diluted with such a change.

I also oppose any "Independent Panel" that is not elected by the people of the state of Texas.
