Message:

I am a registered voter in Texas over the age of 18. I reside in Texas House district 65, Texas Senate District 12 and US district 24. I write today regarding redistricting. My testimony is based upon my personal knowledge and experience in my community and as a citizen of the great State of Texas. I want any new district map to represent the voting pattern of Texas, where all of our statewide officials are Republican. Any new Congressional seats added to Texas due to the increase evidenced by the 2020 census should represent the Republican voting pattern of Texas. It is important that there is equal voting power in each district of people legally eligible to vote. It is highly important to me that redistricting is accomplished by our elected officials who are accountable to the people of Texas. I oppose any independent panel that is not elected by the eligible voting citizens of Texas.

I hope my testimony is helpful to you in the redistricting process.

Thank you,
Michael Thomas
