Message:

I live in Wharton County now. But I was born and raised in Colorado County. My entire farming operation is in Colorado County. My sons have chosen Colorado County as their home. So we are truly invested in what happens in Colorado County. Please look at the redistricting plans carefully. We do not want or need to be a part of a district that includes any part of Houston. We are completely different in our way of life and our needs. Lois Kolkhorst knows our area, our wants, our needs. Please let her continue to represent our county. Please keep our county in the district with other rural counties.
