Message:

My name is Sean Banks, my zip code is [REDACTED], and I am representing myself. Thank you for this opportunity to have my voice heard.

I ask that you support redistricting reform, specifically, that you allow for an independent commission to draw the district lines that uses objective criteria so that the commission can draw maps that are fair, competitive, and represent all Texans.

Legislators and political parties should not be allowed to draw their own district lines. I believe that, in doing so, politics becomes more divided, special interests get more influence, and my vote matters less. An independent redistricting commission will give legitimacy to the process and ensure all voters are represented fairly.

For the love of Texas, I implore you to support redistricting reform and create an Independent Redistricting Commission (IRC).

Best,

Sean Banks
