Re: Correction to Previous Testimony

Dear Chair, Vice-Chair and Members of the Senate Select Committee on Redistricting,

In my testimony submitted on 09/30/2021 I requested that "the map be redrawn to create a competitive TX-37 congressional seat within Dallas County in north Texas to honor the considerable population growth in this area."

My testimony should have read, "I request that the map be redrawn to create a competitive CD-37 congressional seat within Dallas County in north Texas to honor the considerable population growth in this area."

It is a new federal congressional seat that needs to be placed within north Texas.

Respectfully,

[REDACTED]
