Message:

I am a native Houstonian and have always lived in Harris County. I am currently in Congressional District 7 which is 37% Anglo. The proposed plan would put me in District 9 which is only 13.6 Anglo and much of it is in Ft. Bend and Brazoria Counties. My vote will be entirely diluted.

Lizzie Fletcher has been perfect for our inclusive district and she is able to be bipartisan which is critical now and for the future. AS the demographics change, we need to have districts that are fair to non-Anglos or when they finally have the numbers to take over, they will treat us the way we have treated them.

We need fair maps and no gerrymandering.
