Message:

Stop your Political games! We are in a Deadly World Wide Pandemic Crises spread and all you Representative's seated thought of was yourselves while your constituents died and are dying now. Do you really care? If you care you would stop Blocking Voter casting method choice for all voters! It's our right ght to cast our VOTE for whom we want and not your to question our integrity and credibility is choosing our candidates! You are going too far and becoming Anti-Amercan's. You can stop your redistricting, your Voter suppression and you can stop taking Foriegn Political funding, Corporate funding, and put a stop to domestic terrorism, and Join this sitting President Joe Biden in his plan for our Country's Recovery from this World Wide Pandemic Crises, and place Amercan's Citizen's first for a change. It's hard for everyone working Family in keeping a roof over our heads, pay for basic essential's. You should all be ashamed for neglecting Amercan's Citizen's when we most needed you all. We need steady stimulus checks monthly till we are all cleared from this pandemic. People are mentally stressed and some are even killing their families and none family

Community members.

You should build Covid-19 Hospital's to strictly treat Covid-19 patient's and allow other Hospital's in our community to serve and treat outside patient and continueing surgeries! Remember you all have not missed a check because we the people are paying your salary and providing you with benefits you continuously deny your constituents year after year. Some of you have been sitting in your position for 20-40 years and truly think like Mini Dictator's! We the people pick a lousy group who can't come to terms and taking care of the United States citizens especially during a world crisis God forbid and we go through another crises! I pray that we make it through this one because you all need to be removed once and for all.
Susie Levine Alfaro
