Message:

Dear Redistricting Committee,

My name is Raikolf Lopez and first I would like to thank you for this chance to testify. I am a college student at The University of Texas at Austin, but I am from Plainview, TX in Congressional District 19. My city is packed with many counties and this includes cities like Lubbock and Abilene. We are stuck competing for resources and for our Representee's attention.

This is especially important when it comes to getting funding for our city's infrastructure. We need this funding to fix our roads, electrical grid, sewer system, and internet. I am asking for my county to not be packed in a way that makes it hard to get crucial resources for my city's infrastructure. Thank you once again for this opportunity to testify.

Sincerely,

Raikolf Lopez
