Message:

My name is Ashley shipley and I'm from Burnet, Tx. I'm sending this email in regard to the redistricting • Any new map should fairly represent the voting patterns of Texas.

Texas is expected to receive three new Congressional Districts. In representing the voting patterns of Texas it is important to remember that every statewide elected official is Republican. Allocating these new Congressional Districts to Democratic seats on the basis of race is neither Constitutional nor representative of the voting patterns of Texans.

Thank you ,
Ashley Shipley
