Affirm public info: I agree

Regarding: Senate

Message:
With regard to Redistricting:

I want no independent Commission to determine redistricting.

I want no new maps developed in the process of redistricting.

I want no ethnic silos developed.

I want no lengthy process that puts decision making into hands of a Judge versus our elected legislators.

I want districts drawn to include areas/people with shared interests.

I want rural districts to have rural representation, not combined with urban districts.

Thank you
