Message:

This past November, Texas voters turned out in record numbers and kept Republican majority leadership in place. Burnet County Texans are very happy with the relationships they have with their elected officials. Our Senators and State Representatives make time for constituent visits in our home towns. They are well aware of the unique issues of rural Texas that we do not share with Austin, San Antonio and other urban areas. Issues such as access to hospitals, property rights, agricultural and ranching issues, rural broadband and school districts. Please remember to keep our rural area district separate from urban and suburban areas. People have chosen to live in Burnet and the surrounding rural counties for a reason. Please respect that in your redistricting decisions.

Thank you very much!

Randy Guffey
