Message:

I am completely appalled at the proposed redistricting. I live in district 16 and can tell you that looping part of Dallas proper into a district that represents Denton and Wise counties is the most ridiculous thing I've seen lately and that's saying a lot. Your efforts to dilute our voting area is transparent and shameful. Although at this point it seems Republicans have no shame. Your attempt at cheating is still in poor taste even if it's not surprising. Please do better. Create non partisan districts and figure it out.
