Message:

I am a born and raised Texan. I have been utterly disgusted by the partisanship of the current state leadership. No matter how we vote, we as Texans--ALL Texans--deserve to be fairly and honestly represented by our elected officials. We all have the same basic needs: dependable infrastructure, effective education, public health and safety. We have the RIGHT to vote and throttling access to voting in the state is criminal.

1. Redistricting MUST BE aligned with the 2020 Census data. If you don't like the way it looks, maybe consider aligning your party better with the actual population of the state. The game of map Twister you have to play to keep you in office should be a wake up call, not a core party survival strategy.

2. Freedom to Vote. Freedom to VOTE. FREEDOM TO VOTE.
