Message:

I am Art Pronin, community leader in the Meyerland area. I strongly believe and urge changes be made to these maps. In the senate version of the congressional lines- Meyerland-which is home to the largest Jewish community in the state-is split. This harms community integrity.

I cannot recall ever Meyerland being split into 2 districts CD-7 and CD-9. The reason it has not is again due to the Jewish community being respected and allowed to remain together as one block in one congressional seat. I reside in precinct 281-the largest in Meyerland. 2000 registered voters. Many of our Jewish leaders reside here. And in this map we are cleaved from Tx-7 into Tx-9.

This map needs to be corrected to include all of Meyerland in Tx-7 or 9. We cannot leave the community in 2 places.
