Message:

Being to large to have a one person one vote representation. Harris County Pct 0751 should be divided at Hwy 99 and include the area from 0362 Pct. Peek Road and 99 that is north of Kingsland Blvd with the subdivisions of Governor's Place and West Memorial. The area in West Harris Count that is west of 99 would be a new precinct. This area that is west of 99 is impacted with most of the growth and will continue due to it's location in the School District, ESD, MUD and County. The growth left with the area east of 99 that has not been developed will have some growth.
