Message:

When my husband and I moved from Houston to the eastern part of Spring a year ago, one of my non-negotiable criteria was we had to get out of Harris County and the 18th district. We chose Montgomery county and have never looked back. Our values are represented here - freedom, individual choice, respect for others and law and order, to name a few. For this reason, I adamantly oppose any redistricting that dilutes our votes and that includes anything that redistricts us in with Harris County. This would not represent our interests at the state or federal level.

Our state representatives in Montgomery County have done a wonderful job representing our interests and we wish to see them continue.

Thank you.
