Message:

My name is Gina Manlove. I live in the Mueller neighborhood of Austin [REDACTED] and am writing on behalf of myself.

I am writing to ask you to support an independent commission to draw the district lines in Texas. We need and deserve maps that give our communities a chance to be fairly represented.

Democracy depends on fair representation. For the love of our communities and our state, please support redistricting reform and create an Independent Redistricting Commission (IRC).
