Message:

I have grave concerns regarding the proposed redistricting in Harris County. For starters, the proposed plan for Houston splits up many neighborhoods and communities unjustly. I and my neighbors have serious local concerns that have not historically been adequately addressed due to our community being split between multiple districts. These new maps further divide our area and split us among suburbs even farther afield with very different concerns and priorities. I urge the Senate and Redistricting Committee to vote against these proposed maps. The purpose of redistricting is to better represent all Texans, not to further blatant partisan divisions.
