Message:

I am strongly against and very upset by the proposal to move Colorado County from SD 18 to SD 17. Colorado County is a rural area that has nothing in common the area represented by SD 17.

Senator Huffman's proposed redistricting map is a gerrymandered mess designed to take away my rights and the rights of Colorado County voters! How dare she do this!

Colorado County will be stripped away from neighboring counties with whom we share common interests. Our voices and our votes will also be stripped away and overwhelmed by SD 17 voters who do not share our values!
