Message:

It is obvious that Parker County is being used as a pawn to take care of elected officials.

Please follow the county lines as this is a good, cohesive county that has a single objective:  
to have a high quality of life for our families.

We appreciate the hard work of this committee and the difficulty in drawing lines as prescribed  
by law.

Splitting counties of our size is a bitter pill for the voters of Parker County.

Respectfully, Janelle Shepard
