Message:

Dear Senators:

I am counting on you to protect my county from a dangerous and unethical redistricting of Burnet County. This is your opportunity to do the right thing, in the face of coercion. This unnecessary redistricting has a very strong appearance of election tampering. Are some of you being blackmailed or bribed into this? I am urging you to become courageous and find the strength to speak out if you are being coerced into redistricting Burnet County, and taking part in an unnecessary redistricting for the sole purpose of stealing elections again. This is only being done for election rigging.

Does Burnet County deserve to be the sacrificial lamb when it come to redistricting results that dilute our community's influence?

Burnet County and the Highland Lakes are a community of interest that work together in times of crisis. Why would you deliberately dismantle this partnership?

I prayerfully ask you to fight for me and to fight for the innocent citizens of Burnet County, by reconsidering dividing Burnet County and keep our county together as one active and political community.

Thank you,
Janice Knoll
