Message:

I am strongly opposed to the proposition map for redistricting Senate District 8 as it carves out my area of Far North Dallas and groups it with Rockwall, Kaufman, Van Zandt, etc. counties which are extremely different from my area and cannot have the same priorities. These areas are more rural and will naturally have different priorities. MY area should stay with the local surrounding area and not be carved out to be lumped in with some area far away outside the metroplex.

Thank you and I hope you please consider these points.

Jannan Logan
