Message:

Enough is enough. The districting is clearly manipulation to maintain control. If the districts were drawn appropriately, Texas would be blue. This is criminal. Almost as criminal as the abortion law stunt and the law against mask mandates for schools. There are DOZENS of districts closed and teachers and students are DYING, but a scientifically proven method for slowing the spread has been made illegal to mandate. What a joke . I don't even want to get started on the power grid. The people in power are inept and only in power by voter suppression and gerrymandering. FIX IT.
