Message:

I am reading that Montgomery County is up for redistricting. My husband and I have lived in this county for 14+ years (south of 1488). During those years we have seen much growth in population and infrastructure and have not ever felt unsafe.

I include unsafe, because that is Harris County. With the redistricting, you are inviting crime in an area that is rural and safe with the presence of constables that are patrolling our communities. With this redistricting, you will be stretching the already stressed police force of Harris County, therefore, taking away the safety that this community has experienced at least for the years we've lived here.

I sincerely pray that you and the committee are able to be that voice for us and we remain Montgomery County as we know it today.

Thank you for being a voice for the people.
