Message:

Old, white, male GOPers see the future and they are TERRIFIED. So what do they do

1) redistrict to increase their chance of winning

2) make all these ridiculous rules about voting to increase their chance of voting, like not handing out water if someone falls to the concrete because of lack of water. Hoping poor can't vote because they have to stay at minimal wage job and don't know it is their legal right to leave work and vote. Hoping poor won't vote if they lack transportation to vote. GOPers don't want to allow the poor to vote on the weekend because, "God forbid. They have weekends off and can vote."

The GOPers are sorry losers. Playground bullies. Asses. Liars. Bad people. Really bad people.
