Message:

As a resident of Hays County, I ask that you not adopt Joan Huffman's amendment to SB 4 with plans 2108. This is a small county and should not be decided into THREE STATE SENATE DISTRICTS including Senate District 25, 21, and 19. The map would draw the lines so that population areas would be divided. San Marcos would be divided into 2 districts and Kyle would become 3 districts. This negatively impacts school districts and cities. This will cause unnecessary difficulties and confusion for the county as well as the government even in handling legislative issues and law enforcement. I ask that the layout of Hays County include the entire county. I request that Senator Huffman's amendment be voted down and that the previous mapping of Hays County be maintained as is stated in 87 (3# SB 4 (plans2101)). To make Huffman's change would be needless and harmful to the county.
