Message:

I have lived in Montgomery County, Pinehurst to be exact, my entire life. I grew up 2 miles from where I settled down to raise my children. I absolutely am against any type of redistricting that involves Harris county in OUR counties daily or political affairs. Their values do not represent the same values as those of us who live in my area... We all live here because our values are represented in the daily way of life here. If we had big city values we would live in a big city or in a county like Harris county but we don't that's why we live in Montgomery county. Please consider the fact that the people who live here, whose county it is, do not want people from another county making decisions that affect our way of life, the way of life we chose. Thank you for your time.
