Message:

America, the land of the free.
Many people of Texas votes will basically not count with the redistricting in your plans. From what it looks like, you are basically rigging it to go the way you want it to go. Please ask yourselves why you want to change the districts how you are proposing. And please give yourself an honest answer.
Whether you like it or not Texas is changing and EVERYONES vote should count. This is not about you or what you want, this is about all the people of Texas. You took an oath to do what's right for the people of Texas. This is far from doing right.
Texas history will not look kindly on this.

Sincerely,
Leslie Griffin
