Message:

Splitting Parker County into more than one district is to dilute and divide the most solid and reliably conservative voting block in Texas. Its a mistake and will hurt conservative candidates in the future.

Let Fort Worth and Tarrant County stand on its own, or not. Its trending the wrong direction now. The solution to THAT problem is the same problem the republican party has everywhere. Slate REAL Constitutional conservative candidates and give the people the REAL choice they deserve!

Weak willed republikrats and RINOs do NOT, will NOT, CANNOT ever prevail. All they are, are a speedbump to creeping blue idiocy. Stand and fight for Texas.....While we still can. I have seen the enemy, and he is us. Stop trying be all things to all people. Youll end up being nothing to anyone. Dividing Parker County only furthers the enemys dilute and conquer strategy.
