Message:

The proposed map is definitely discriminatory against the people of major populations.. if is pathetic that the map in Harris county looks like the silhouette of the handmaid's tale. There is no reason that the lines in ALL of Texas should not be drawn straight. So why is it necessary to gerrymander? I know the reason. The ruling party are fascists up be ashamed of themselves All of these redistributing maps should be fair. Do the right thing for Texas
