Dear Sirs:

As a 20-year resident living on the lake in Lake Conroe, Montgomery County, I'm sure you are aware that we have been faced with the continual lowering of our lake (SLLP). I have seen a drastic change in certain areas of Lake Conroe due to the wasteful depletion of lake water at the behest of the City of Houston and the SJRA. And today I receive word we are faced with a possible redistricting of District 4. . .

Please DO NOT LET THIS HAPPEN. I implore you to NOT redistrict Montgomery County to District 7. This will surely exasperate all of us who have been on the fighting end of the SLLP. I fear we will be subjected to unfavorable new rules and regulations regarding the status of our beautiful lake. Negotiations that have been ongoing regarding the SLLP may never be resolved or worse we may fall under new senate districts ultimately joining with parts of Harris County. Should this happen, I fear our cause to save Lake Conroe will be for naught.

Sincerely,

Sandra Maalouf
