Message:

Disagree with this map since it does not include and is not based upon the 2020 Census of Texas that almost 95% of our growth has been due to minorities. How do you honestly and morally justify redrawing a map to exclude minorities. This is not right. Will be publishing the facts to every steps of this. Will only make you loose more voters. More than power, ppl are beginning to hate cheaters and politicians who keep ignoring stepping on them.
