Message:

I do not support redistricting. I live in Brownsville with all democratic leaders and they've done a terrible job. Our streets flood whenever it rains and they messed up 2 major roads in the city and the infrastructure is terrible. There are potholes everywhere and it's a mess. The last thing we need is to redistrict and not let the Republicans have a chance at becoming the leaders here. This will most certainly mess up the valley more than it already is right now.

PS. The leaders in Brownsville put their businesses before constituents.
