Dear Committee, I am your constituent from District 34. As a elected representatives and a committee it is your duty to make decisions and vote for a redistricting that will allow the elections for all districts to be a more competitive election. This will provide an opportunity for all future candidates an fair and just opportunity. Our current district map was created to make our District 34 a Democratic district. I urge you to create a redistricting map for a fair and just election for all parties. Please note that your constituents are closely monitoring all your votes and decisions. Thank you, Stacy Bielstein
