

My name is Marina Dela Rosa.
I am 9 years old and a
straight A student from
Blessed Sacrament School.
I really want to help
support the ~~Autisum~~ Autism
Services Accesibility
Program (ASAP). To support
it I'm here to tell you
guys about how it feels
to be a sister for a kid
with autism. The person
with autrsm is my little
brother named Rudy. My
brother is funny, sweet, and
cute. When he went to
a public school he called
~~me~~ he called me names like stupid,
and idiot. Now that he is in private
school he is kind + sweet, I
would urge you to support
Senator Shapiro's Bill 1000.
~~The reason this ASAP~~ ~~The~~
~~reason this bill 1000, ASAP~~ should
be ASAP could be passed as
soon as possible! -Marina
